

Directions from Johannesburg

Take the N1 highway to Polokwane (Pietersburg) towards the Eastern suburbs of Pretoria. Take the Lynnwood Road/CSIR off-ramp (next off-ramp after Atterbury Road - **NOTE:** you have to enter a slipway immediately after you pass under the Atterbury off-ramp bridge). Turn right into Lynnwood Road onto the bridge over the N1 highway and immediately left into the slip road into Meiring Naude Road just before the traffic lights. At the 5th set of traffic lights turn left into Hotel Street (next to Sasol petrol station and directly opposite the entrance to the CSIR). Hotel Street becomes The Innovation Hub Drive as you drive onto the new bridge across the N1 highway that gives access to The Innovation Hub precinct. Continue across the bridge to the boom gates and tell security you are visiting KnowledgeBank (Enterprise Building - Suite U19b)

Directions from Pretoria

Take Schoeman Street in an easterly direction out of town where it will eventually become the freeway. Keep to the left and take the N1S to Johannesburg. Then take the first off-ramp to Meiring Naude / Lynnwood Road. At the set of traffic lights turn left into Meiring Naude and go back the way you came running next to the freeway. At the 4th set of traffic lights turn left into Hotel Street (at the Sasol petrol station opposite the entrance to the CSIR). Hotel Street becomes The Innovation Hub Drive as you drive onto the new bridge across the N1 highway that gives access to The Innovation Hub precinct. Continue across the bridge to the boom gates and tell security you are visiting KnowledgeBank (Enterprise Building - Suite U19b).

GPS coordinates: 25°44'57.54"S 28°16'05.72"E

Once inside the Innovation Hub:

Take the first road to your Right and then straight at the Stop street (The Innovation Centre will now be on your left on that corner). Find parking in the open parking on your right and then walk around to the other side of the Innovation Centre to the Enterprise Building and ask for KnowledgeBank (Suite U19b) at the reception.
